Principal: Kathryn Pearce
Assistant Principal: Jeff Boyle

November 20, 2020

Dear Pacheco District Families and Community,

What are you thankful for this year? The Pacheco Union School District staff is very thankful for our supportive families and community who partner with us daily to best support the needs and safety of our students. Because of this joint collaboration, we have been able to offer all students the opportunity to attend in-person since August. We feel confident that the most ***equitable and beneficial*** instructional model is having students on campus for face-to-face instruction.

As we enter the holiday season in the era of COVID, the Pacheco Union School District asks that you continue to stay vigilant and proactive in ensuring that you are taking all precautions to keep everyone safe and healthy. Your actions and perseverance with these recommendations will continue to enable all students to have the opportunity to attend school in-person, if they so choose.

During this season, please make sure that you are extra diligent in monitoring your student's symptoms daily before sending them to school ([Student Symptom Decision Tree](#)). Please partner with us in reinforcing to your student the importance of wearing face coverings, observing physical distancing, and washing/sanitizing hands often.

Please click on the link for some helpful information from Shasta County Public Health: "[Keep Your Family and Friends Safe During Holiday Celebrations](#)". We ask that you review this information carefully, especially during this time of increased family gatherings and possible out-of-the-area travel.

If you have gathered with multiple households for the holidays or traveled out of the area, please consider self-quarantining for 14 days afterward. As an added precaution, consider getting your student tested before returning to school on Monday, November 30, 2020, after the Thanksgiving break and Tuesday, January 5, 2021, after the Winter break.

We wish you all a safe, healthy, and happy holiday season. Thank you for continuing to partner with the Pacheco Union School District in keeping student and staff safety the number one priority.

Best Wishes,

A handwritten signature in blue ink that reads "Katy Pearce".

Kathryn Pearce

Superintendent/Pacheco Principal
